Angeles,

I received a copy of the EPA's August 2, 2017 letter of response from Jim Collins to Nathan Block regarding EPA's Claim for Response costs at the Anaconda Mine Site in Yerington, Nevada. I am hopeful that you and I can find a mutually workable time next week (week of August 7 to 11) to further discuss this important issue, so that a deferral option can continued progress at the site. I think an hour would be sufficient. I can adjust my schedule as needed for anytime Monday, Tuesday after noon (CDT), Wednesday before 3pm (CDT) or all day Friday. I am out of the office on Thursday.

Please let me know what days and times would work for you and I can set up a call.

Best Regards,
